Scholarship Funds Available

A four-year college scholarship program

Scholarship funds for college expenses are available from the Textile Care Allied Trades Association (TCATA). This scholarship fund was organized with the cooperation and support of your employer.

Those eligible to apply for scholarship grants are graduates of high school who are full-time employees of TCATA member companies or their children. Recipients receive \$2,000.00 annually for the four years of college attendance.

The selection of scholarship recipients will be made on the basis of academic achievement and leadership qualities, as demonstrated through extracurricular and other non-academic accomplishments.

TCATA is now accepting applications for the academic year beginning in the Fall. The deadline is April 15th. Information and application materials are available through TCATA's website (look under "Membership Information") or by writing to:
