

Why Should I Join TCATA?

- ❖ **Advocacy** - Represents members' interests on key legislation and regulation. Advocacy is at the heart of the Association's mission.
- ❖ **The TCATA Tidings Newsletter** - Informs members of Association and industry developments as well as important legislative and regulatory issues.
- ❖ **Annual Management & Educational Conference** - Offers both an outstanding business program and invaluable networking opportunities with colleagues from around the country.
- ❖ **The Clean Show** - Significantly reduced exhibit rates and representation of members' interests in setting Clean Show policy.
- ❖ **Protecting Member Interests on Codes** - Through its work with standard-setting organizations such as the American National Standards Institute, National Fire Protection Association and the International Code Council, TCATA ensures that members' interests are protected.
- ❖ **University of Innovative Distribution** - 50% discount on the registration fee for the highly acclaimed educational program.
- ❖ **Discounted Business Valuation Appraisal** - A formal valuation of your business.
- ❖ **The Private Label Advisor Report** - a quarterly economic report, published by the Institute for Trend Research, that provides an unbiased snapshot of the U.S. economy in an understandable format.
- ❖ **Expense Management** - Lost & Found Inc., provides expense analysis, management and recovery services. They save their clients an average of 21%, with some companies saving over 60%. There is no fee - they only take a percentage of the savings they find.
- ❖ **Webinars** - On issues such as health care, sales, economic forecasting and exporting.
- ❖ **College Scholarship Fund** - For employees or the children of employees.
- ❖ **Advice from top consultants** on EPA, OSHA and human resources/legal issues.
- ❖ **Uniform warning labels** for laundry and dry cleaning machinery.
- ❖ **Machinery Market Survey.**

... and much more! It would be hard to find a better investment of your money.
