

Spouse/Guest Program
Textile Care Allied Trades Association
2019 Annual Management & Educational Conference
The Artist's Cottage—Friday August 2

Chair Amy Hart, Kannegeisser-ETECH, invites spouses and guests to participate in this year's program on Friday at The Artist's Cottage on property. Participants will choose from a variety of activities- stone painting, candle making, or apothecary rollerball blends. Whatever the activity, attendees will have a nice memento to bring home. We will then enjoy lunch together at Olivella Restaurant.
